Education

Bachelor of Journalism and Media Communication

Minor in Music, Stage, and Sports Production

Colorado State University
May 2023

Practicum:

Live Production Intern | August 2021-May 2022

Shadowed and quickly began working in filming, editing, and directing live events including sports and music exhibitions for CSU athletics and the University Center for the Arts

Work Experience:

Temple Grandin Documentary Producer

December 2022- present

Assisting director John Barnhart in creating his vision for the film as well as independent projects including the movie trailer and bonus features. A private premiere was held in April 2023, and John and I continue to improve the film as we send it to festivals.

Production Intern | Mishawaka Amphitheater

May 2022- October 2022

Provided dedicated service to artists to ensure a quality experience including assisting with overall venue operations and stagehand assistance. I was given the opportunity to independently shoot some photography and videos for certain concerts.

Video Equipment Room Assistant

August 2021- present

Assisted students and faculty with checking out and answering questions about media equipment such as cameras, microphones, light kits, and accessories for their projects.

Skills

- Adobe Software: Premiere Pro, After Effects, and Photoshop
- Well versed in camera work with Sony and Canon models
- Excels in group environments with a common goal
- Willing to take on soft leadership to work towards the best outcome
